

United States Senate

OFFICE OF THE CHAPLAIN

26 October 1959

Honorable L. K. White
Deputy Director
Central Intelligence Agency
Washington 25, DC

Dear Mr. White:

Saturday, upon our return from a vacation trip to Florida and Nassau, I found in a pile of mail awaiting me, your good letter of October 21st.

When we talked over the 'phone, after you had succeeded at last in reaching me, you agreed to send that note with all the necessary details for the ceremony on November 3rd.

I count it a privilege and an honor to have a share in the program of that date - November 3, 1959 - when the cornerstone for the new Central Intelligence Agency building at Langley, Virginia, will be laid.

I am plowing through a pile of mail this morning but in a day or two I will give you a call so you can, as you put it, brief me on the details of the ceremony.

With every good wish, I am

Yours Cordially,

Frederick Brown Harris
